Tell Me a Story

Mysterious (♩. = 60)

Tell me a sto-ry, tell me a tale. Tell me a sto-ry, tell me a tale.

Fast (♩. = 92)

Tell me a sto-ry to give me the chills Tell me a sto-ry that fright-ens and thrills. I pro-mise that I won't

be a-fraid. I pro-mise that I can still be brave! So! Tell me a sto-ry and don't hold back!

I want to hear of the spi-ders and bats! I pro-mise that I won't be a-fraid. I pro-mise that

I can still be brave! So! Tell me of the si-rens luk-ing in the sea. Tell me of the

sha-dows hi-ding in the trees. And please don't miss the house on the hill, where the Ghost of

Tom lies haunt-ing still. So! Tell me a sto-ry and don't hold back! I want to hear of the spi-ders and bats!

Tell me a sto-ry, Tell me a sto-ry, Tell me a sto-ry, tell me a sto-ry and don't hold back!
